Access America Fund leads syndicate including Renaissance Capital, Pope Investments II, LLC and Steve Mazur in a \$5MM PIPE financing round for Orient Paper, Inc ("OPAI"). The Access America Fund invests in international operating companies worldwide seeking expansion capital and has extensive experience investing in Chinese Operating Companies publically listed in the US. OPAI Inc is a leading manufacturer and distributor of diversified paper products – this equity investment of expansion capital will allow OPAI to enter new, high margin markets including digital photo paper. In accordance with financing terms led by Access America Fund, OPAI's management commits to net income targets of \$10MM in 2009 and \$18MM in 2010.

President of Access America Fund, Christopher Efirid adds "we are very excited about the "rebirth" of Orient Paper. Much like the Universal Travel Group transaction (AMEX:UTA) before it, we feel the Orient Paper is significantly undervalued given its strong management team and growth prospects."
